

## 5th Annual Meeting of the Minds Symposium

# Parkinson's Disease and Deep Brain Stimulation Therapies: Practice and Theory

CME/CEU  
Accredited  
Symposium

STONY BROOK UNIVERSITY NEUROSCIENCES INSTITUTE

### SESSION TOPICS

- An Update on Parkinson's Disease Treatment
- Theatre Training as Effective Therapy in Parkinson's Disease
- Deep Brain Stimulation in the Blink of an Eye
- Bilateral Functional Changes in Somatosensory Thalamus After Lateral Spinal Cord Hemisection
- Nanotechnology Solutions for Neural Control
- Using Rat Models to Study the Neurobiological Basis for Sex Differences in the Non-Motor Symptoms of Parkinson's Disease

#### CONTINUING MEDICAL EDUCATION CREDITS:

The School of Medicine, State University of New York at Stony Brook, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The School of Medicine, State University of New York at Stony Brook designates this live activity for a maximum of 5.5 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should only claim the credit commensurate with the extent of their participation in the activity. *Disclosure Policy:* All those in control of CME content are expected to disclose any relevant financial relationship with the provider of commercial products or services discussed in the educational presentation or that have directly supported the CME activity through an educational grant to the providing organization(s). All commercial relationships that create a conflict with the planners, speakers, author's control of content must be resolved before the educational activity occurs.

#### CONTINUING EDUCATION UNITS:

Stony Brook University's School of Nursing is an approved provider of continuing nursing education by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. The School of Nursing designates this live activity for 6 credits.

**Friday, October 31**  
**8:30 am to 4 pm**

Charles B. Wang Center, Stony Brook University

#### KEYNOTE

### Neuromodulation: Current and Future Applications

#### Ali Rezai, MD

Director, Neuroscience Program  
Associate Dean of Neuroscience  
Stanley D. and Joan H. Ross Chair in Neuromodulation  
Professor of Neurosurgery and Neuroscience  
Director/CEO, OSU Center for Neuromodulation  
The Ohio State University

Open to all physicians, nurses, researchers, students and other healthcare professionals with an interest in the neurosciences.

Registration required. *Breakfast and lunch provided.*

For physicians and nurses who wish to earn CME/CEU credits, there is a \$25 fee required upon registration.

Group discussion and audience Q&A following presentations.
